

NEW PRECISE MODEL 111. . TUBE TESTER The latest in the Test state design the NEW 111 is the ONLY NII that Cheeks Test in 1815 ONLY AND THE NEW 111 is the ONLY NII that Cheeks NEW 111 is the ONLY NII that Cheeks NEW 111 is the ONLY NII that Cheeks NEW 111 is the ONLY NII THE NII THE NII CHEEK NII THE NII THE NII CHEEK AND THE NII THE NII CHEEK AND THE NII THE NII CHEEK AND THE NII THE NII

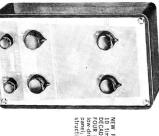

NEW PRECISE MODEL 9071. VOCUMN TUBE VOLTMETER WITH MY, PRECISE Again the leader-leaturing the FIRST VIVING WITH MY, PRECISE Again the leader-leaturing the FIRST VIVING THE SENTES THE ACCURATE AND STATE OF THE SENTES THE

9071K . . . kit form **\$35.95** 9071W . . . factory wired \$49.95

PRECISE NEW MODEL #468 — RESISTANCE DECADE BOX.
PRECISE AGAIN LEADS THE FIELD with its New Low-Priced Resistance Decade Box. Ideal for specialized service work.
Compact in size for Bench Drawers and 100 Boxes. Engineered with the customary Precise Accuracy and Dependability.
Separate Switches, 11 Positions on Each; plus or minus better than 1% for Extreme Accuracy, Readings from 10 OHM to 11,111.00 OHM in 5 Decades Deeply ethted Alumnum Tarel; pugged Construction Manual. 31: X of Key X 2**

NEW PRECISE MODEL 478 — CAPACITY DECADE BOX. Over 10 times the Capacity range in the NEW PRECISE CAPACITY 10 times the Capacity range in the NEW PRECISE CAPACITY 10 times the Capacity of the New Precise Capacity of the New Process of the New

kit form \$18.95 factory wired \$24.95

MODEL 635 UNIVERSAL AT SINE, SQUARE AND PULSE GENERATOR. For accurate testing audio and video circuits. 13% Caramic practicism resistors; When Bridge: whabbe 2 and cathode-follower output; minimum evershoot and roundoff through 100,000 cycles; sine waves through 200 KC Model 635W \$32.50 (Factory wired) \$33.50

NEW PRECISE MODEL 706. VOLTAGE REGULATED POWER SUPPLY Compact versatility: and to rever servicement had and lab man. 140 volts to over 450 volts with 1% accuracy. Measures current, high voltage, high and low AC voltsgreen ton book. Wit: 10 his Size: 117 x 8° x 5°.

760K . . . kit form **\$39.95** 760W . . . factory wired \$59.95

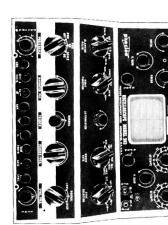

RECISE DEVELOPMENT CORP

OCEANSIDE, NEW YORK

MODEL 610 PF SIGNAL GENERATOR The lowest priced signal generator in the ridel offering. Jame RF head as Model 630. 110 MC on fundamentals; 330 MC on harmonics; 60 and 400 cycle AF, Calhode-follower output; Ext. Mod.; Speech Amp.; Individually fundad coils.

Model 6100K McG 95 (pire assembled head) \$23.95
