FOR INSERTION IN NORTHERN ELECTRIC RADIO SERVICE MANUAL

MODEL 5200

SUPPLEMENTARY SERVICE INFORMATION

This model is now equipped with a single electrolytic instead of two as before. Items C22, C23, C24 and C26 are thus now included in a single can.

This new electrolytic takes part number RB234-38 and replaces both R12730 and K10124-16.

This change became effective at Serial Number 11,500.
